MR. O. S. RUZZELL: Dear Sir:—My Wagon that I purchased of you about two years ago. I must acknowledge is much better than I expected. Being of medium size. I thought it too light for my business; but it is just right, runs light and casy, and I have often earlied on it 1400 bricks from my kiln. It will carry eight thousand pounds, and has never cost me one cent for repairs. Yours truly, H. F. CARIS. Purchasers will find it greatly to of the Manufacturers.

MR. O. S. RUZZELL. Dear Sir:—In the fall of 1862 I purchased of you a light wagon. Weight with box on. 532 pounds. It is a thimble skein, which I think is the easiest running wagon in use. I have frequently drawn 3,000 pounds upon it at one time. All the expense that I put upon it for the first twelve years was for setting tire once.

Yours, with respect.
